**REDEFINING SECURITY
FOR OVER 30 YEARS**

Granilux Solutions excels in designing advanced security systems that safeguard classified assets, facilities, and personnel for the Intelligence Community, Department of Defense, and Diplomatic missions worldwide.

Dedicated Support & Advanced Training

Our commitment to continual technical training ensures that our technicians stay at the forefront of security technology. As a recognized Avigilon Elite Plus Dealer, we offer unparalleled expertise and dedicated support to maximize the efficiency and lifecycle of your security installations.

With over 30 years of experience, our team of industry leaders — including former USG security specialists and mass communications executives — provides sophisticated, custom security solutions to a broad range of clients. Our clientele includes federal, state, and municipal governments, as well as mid to enterprise-level organizations and high-priority residential clients. Our team holds the highest certifications and clearances including:

- UL2050 Certification as an approved provider of National Industrial Security Systems for USG and affiliated contractors
- Core USG Business Areas NAICS CODES
- 561621 Security Systems Services
- ICD-705 Compliant

Granilux is also an awarded vendor of the TIPS Purchasing Cooperative, providing cost-effective security solutions to a wide range of clients including educational institutions, government agencies, and private sectors.

 OUR MISSION

Our mission is to deliver trusted, sophisticated security solutions worldwide, fostering a culture of partnership and commitment to excellence. We embrace challenges and innovate to safeguard millions of people and their assets.
